Minimum credits required for graduation: 129(university cores: 50, college cores: 3, department cores: 30, department module electives: 20, and electives: 26) 1. The 26 elective credits include minimum of 20 credits from department elective courses and maximum 6 credits from interdisciplinary elective courses.

2. The elective credits include the maximun of 12 credits from Campus (Micro) Course Program.

Students who fulfilled the requirement of any Campus (Micro) Course Program after enrolling will also received a certicicate of the program.

3. The credits earned from EMI courses except the courses from the department of DCAM can waive the department electives. The maximum credits open for waiver are 20.

\*Please apply for the self-directed learning course in accordance with the "Implementation Guidelines for Self-Learning Courses of Wenzao Ursuline University of Languages".

\* Department electives are categorized into three modules: Digital Value-Added ,E-Learning Courseware and Game, and Media and Animation Design (Graduation requires at least 20 credits from a single module.)

\*Students are required to take at least one internship course before graduation.

%Students are required to obtain one foundational certification and two professional certifications before graduation.

\*Students are required to satisfied other graduation requirements of the school.

★ For the required general education courses, must choose one course each from Society, law, and Politics group, Nature and Aesthetics group, Science and Popular Scientific Education group and Advance general education.

★ The exact list of general education course to be offered is subject to the arrangement of the General Education Center's course catalog of the academic year. Prior to graduation, please check whether you have fulfilled the course requirement for each group.

\* These elective courses listed are for reference only, please refer to the latest list on each department website every year to make sure the courses are available.

★ The elective courses offered by each department are department electives for students in that department. While for students from different departments, those courses only count as general elective courses. (Different in credit)

 $\bigstar$  Should there be any changes in the course schedule of the department, please refer to the newest version.
